

# THE MARCS OF A HEALTHY D-GROUP

How do I know if it's working? Here are five M.A.R.C.S. that you can use to assess whether or not the people in your group are growing in spiritual maturity:

## **MISSIONAL** (Acts 1:8)

D-Group participants should be living out the Gospel.

## **ACCOUNTABLE** (Ecclesiastes 4:9-10)

You can't expect what you don't inspect.

## **REPRODUCIBLE** (2 Timothy 2:2)

The discipleship process is complete when the mentee becomes the mentor.

## **COMMUNAL** (Hebrews 10:24-25)

Intentionally sharing your life is essential.

## **SCRIPTURAL** (2 Timothy 3:16-17)

The Bible is the textbook.

“If you seek to build a church, you rarely produce disciples. If you seek to make disciples, you always get the church.” Mike Breen
